

# Announcement of Shizuoka Prefecture Golf Promotion Fund

March 2014

Dear Visitor,

We announce that the “Green Project”, to which the visitors to the member golf courses of Shizuoka Prefecture Golf Course Association had been asked for contribution since 1978, will be completed in March 2014.

We deeply appreciate your long-term cooperation over 36 years.

On April 1<sup>st</sup> 2015, we will launch the “Shizuoka Prefecture Golf Promotion Fund”. For this fund, we would like to ask visitors to continue the contribution of 50 yen.

Golf is a sport which is open to people in any age or gender and can be enjoyed throughout peoples’ life. We believe that promotion and popularization of golf can contribute to the well-being of golfers as well as the development of local communities.

We sincerely ask you to give this Golf Promotion Fund the same support as you gave to the Green Project.

Yours faithfully,

Shizuoka Prefecture Golf Course Association and its member  
golf courses
